

Microsoft Office 2010 Available for FAS

Technology

With the renewal of our Microsoft Campus Agreement, we are eligible to offer the Home Use Program to our faculty and staff here at Northland International University.

Under the Home Use Program, our FT/PT faculty and staff (not including work study) who are users of qualifying applications at work (e.g. Office Enterprise) may acquire a licensed copy of the corresponding Home Use Program software (e.g. Office Enterprise) to install and use on a home computer.

Please note that some product and language versions may not be available at the time you place an order. For up-to-date information on the availability of Home Use Program software, please visit:

<http://microsoft.com/licensing>.

To Access the Microsoft Home Use Program Web Site:

1. Go to <http://hup.microsoft.com/>.
2. Select the country to which you want your order to be shipped to, and choose the language for viewing the order web site.
3. Enter your corporate e-mail address and insert the program code. **Please contact Technology for Program Code.**

Note: This program code is assigned to Northland for our sole use in accessing this site. You may not share this number with anyone outside of our faculty/staff.

4. Place your order online for immediate download. (You will need your credit card information.)
5. If you choose to order back-up media, the product will be shipped to your supplied mailing address.
